Dear Professor Harris:

This letter confirms the intent of [name of organization] to collaborate on the project “I^eMPACT: Innovation Engine for Manufacturing Productivity and Advanced Control Technology” should it be funded by the National Science Foundation’s Regional Innovation Engines Program. I^eMPACT will establish an innovation ecosystem involving a coalition of leading industrial partners, universities and community colleges, government agencies (local, state and federal) and professional societies dedicated to the goal of creating a new paradigm for manufacturing machines and practices.

[Add a brief statement describing your organization and its specific interest in the project and nature of participation.]

[Add a brief paragraph description of resources to be committed to the project by your organization.]

By signing below, I acknowledge that I, or my organization, will collaborate and/or commit resources as detailed in the proposal entitled “I^eMPACT: Innovation Engine for Manufacturing Productivity and Advanced Control Technology.” I, or my organization, agree to undertake the tasks described and commit to contribute or make available the resources described in the *Proposal Description* or in the *Existing and New Resources to be made available for the Project* sections of the proposal.
